BLUE RIDGE Women's Center

Nearly 45% of all pregnancies are unplanned, leaving many women feeling alone and uncertain of their future. By providing a safe environment to be heard and supported, Blue Ridge Women's Center equips each woman to make an informed decision about pregnancy and her family.

How can I pray?

Pray for women and families making difficult choices surrounding their unplanned pregnancies. Ask the Lord to give them the strength to choose either parenting or adoption rather than abortion.

Chris & Christine Kollman

Chris and Christine serve with SEND International as People Care and Development Coaches. They have the privilege of walking with missionaries as they prepare to go to their field of service and when they return home. They have a passion to see missionaries thrive on and off the field. Through coaching, debriefing, counseling and equipping they are able to see first hand the joys and challenges that come with the life of a missionary. They are thankful to the Lord for the life experiences that they are able to share with those they coach.

Hoover and Karen are serving as Global City Leaders for the IMB in Vancouver, BC, Canada. Each year, tens of thousands from other countries will immigrate to Canada, landing in Vancouver. Most of have never heard the gospel. The Lees are ministering, collaborating, and serving along side other IMB personnel and local Christians to share the gospel and plant churches among those who live in darkness.

How can I pray?

Vancouver is the least Christian city in Canada. Less than 1% of the population will attend an evangelical Christian church in any given month. People of all ethnic groups, including native Canadians, need to hear the gospel and see examples of healthy, Biblical Christianity. Please pray for spiritual awakening in Vancouver.
